## NEVE YERUSHALAYIM

### **OPTIONAL GROUP FLIGHT TO SEMINARY:**

Our school year begins on Tue, September 3<sup>rd</sup> at 3:00 pm. We use Planetalk Travel for our group flight. They have reserved space for us on the El Al Flight from JFK scheduled to depart Monday Sept 2<sup>nd</sup> at 1:00pm and arrive in Israel at 6:35am.

We do **not** require that students use this group flight. It is not the cheapest way to get to Israel. But Planetalk has a representative at JFK to help smooth the check-in for the flight, they have an option for an additional bag, and we meet this flight with a bus to provide transportation to the school.

If your daughter is not coming with the group but plans to arrive around the same time she is welcome to join us on the bus, but we must be notified beforehand so that we know to look out for her. There is no reason to push to arrive at that time as it is straightforward to get from the airport to the school so your daughter should be able to do so on her own. We are happy to send instructions to anyone who is interested.
